■ About AFEX

Asia Food Expo is organized by ISC Group, formerly known as LNA Management Group Corporation.

ISC Group has been at the forefront of food trade and exhibitions since 1991. A proudly Filipino company that was built on the foundation of good commerce and social responsibility, ISC has relentlessly committed to bring leverage and support the growth of all the sectors in the food and beverage industry.

More on [about us](#).

■ Our Mission

To be an omni-channel platform for business leaders to learn and unlearn business practices, innovations, business solutions, and technology for the ever-changing market demands.

■ Our Vision

When AFEX was founded, there was no other platform that addressed the gap between international and local food trade in the Philippines. Being a first of its kind during its launch in 1991, AFEX was a concept that aspired to shorten the gap between neighboring countries and the Philippines through food, beverage, and tech trade.

■ What We Do?

We are committed to championing business practices, business systems and technological advancements that our local enterprises could integrate in their businesses for greater efficiency and economies of scale.

AFEX has become a chosen platform for local enterprises to showcase their products and services to our neighbouring countries through our comprehensive visitor program.

Our Criteria

AFEX is looking for exhibitor partners with companies whose core is at the forefront of innovation and growth. We believe that our platform provides an introduction to new ways of businesses and systems that local and foreign business leaders can learn from, integrate with, and growth with.

Readiness

Businesses new and tenured who are ready to penetrate new markets, serve a potential demand, provide innovation or a service to a bigger network are our utmost priority.

Thought Leadership

Your ability to contribute expert advice and ideas to the whole AFEX experience is essential to the exhibitor program.

Agility

Your creativity when it comes to attracting new clients, introducing your products, showcasing your company and social proof is important when it comes to creating meaningful connections
